1. RECOGNITION

1.1 Exclusive Bargaining Agent

The Union is recognized as the exclusive bargaining agent for all Support Staff employees of the Colleges, save and except:

- foremen and supervisors;
- persons above the rank of foreman or supervisor;
- employees performing duties that require the use of confidential information relating to employee relations and the formulation of the College budget or the Campus budget, as the case may be;
- persons regularly employed for twenty-four (24) hours per week or less;
- students employed on a cooperative educational training program, with a school, college or university;
- graduates of the College employed for up to twelve (12) months following completion of their courses and associated with certification, registration or other licencing requirements;
- persons hired for a project of a non-recurring kind.

1.2 Staffing Considerations

Recognizing that the College reserves the right as provided in Article 3, to determine the number and composition of full-time, part-time, and otherwise excluded positions, and to determine the work assignments that are appropriate in each case, the College will give preference to full-time over part-time assignments, and to convert part-time to full-time assignments where feasible, subject to such operational requirements as may be appropriate.

1.3 Binding on Parties

This Agreement is binding on the parties hereto and the employees as defined in Article 1.1.

1.4 Excluded Persons

Persons who are found to be bargaining unit employees as a result of specific decisions of the Ontario Labour Relations Board or by agreement of the Council/College and the Union, and whose former status was administrative or excluded staff, shall be governed by this Agreement and Appendix B.

1.5 No Strikes and No Lockouts

The Union agrees there shall be no strike and the Council agrees there shall be no lockout; "Strike" and "Lockout" being defined in the Colleges Collective Bargaining Act, 1990.

1.6 Non-Recurring Projects

An individual may not be maintained in a project of a non-recurring kind for a period of more than twelve (12) continuous months unless there is an extension agreed upon in writing between the Local Union and the College.

2. RELATIONSHIP

2.1 Interference

The Colleges and the Union agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practised by either of them or their representatives or members because of an employee's membership or non-membership in the Union or because of his/her activity or lack of activity in the Union.

2.2 Union Activities

The Union agrees there will be no union activities on the premises of the Colleges, except as specifically referred to in this Agreement or approved in writing by the College.

2.3 Ontario Human Rights

The parties agree that in accordance with the provisions of the Ontario Human Rights Code there shall be no discrimination against any employee by the Union or the College because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, record of offences, marital status, same-sex partnership status, family status or handicap.

Accommodation, if it is requested by the employee and it is determined to be required, is the duty of the College, the Union and the employee.

2.4 Masculine/Feminine

Whenever the masculine is used in this Agreement, it shall be also considered as if the feminine has been used.

2.5 Employment Equity

The College and the Union recognize a shared commitment to achieving employment equity in the College by ensuring that the Local Union is consulted with respect to the appropriate mechanisms created by the College to establish and implement employment equity systems, policies and practices.

3. MANAGEMENT FUNCTIONS

3.1 Union Acknowledgements

The Union acknowledges that it is the exclusive function of the Colleges to:

- maintain order, discipline and efficiency;
- hire, discharge, transfer, classify, assign, appoint, promote, demote, layoff, recall and suspend or otherwise discipline employees subject to the right to lodge a grievance as provided for in this Agreement;
- generally to manage the College and without restricting the generality of the foregoing, the right to plan, direct and control operations, facilities, programs, courses, systems and procedures, direct its personnel, determine complement, organization, methods and the number, location and positions required from time to time, the number and location of campuses and facilities, services to be performed, the scheduling of assignments and work, the extension, limitation, curtailment or cessation of operations and all other rights and responsibilities not specifically modified elsewhere in this Agreement.

The Colleges agree that these functions will be exercised in a manner consistent with the provisions of this Agreement.

4. UNION/MANAGEMENT INTERESTS

4.1 Seniority List

The College shall prepare and send a copy of the seniority list showing the employee's seniority, position title, payband, grand-parented payband(s) (if applicable), department, and home campus once every four (4) months to the Local Union President and the Union Head Office. A copy of the seniority list shall be posted at each Campus of each College and a copy of such seniority list shall be made available for inspection by an employee on request.

4.2 Union College/Campus Committees

The Union may appoint a Committee at each College composed of up to three (3) members from among employees who have completed the probationary period. At least two (2) of the members of the Committee shall be appointed on a regular basis. The third member may be appointed on an ad hoc basis where his/her knowledge or experience is relevant to discussion at meetings under this Article. Where a College has another Campus more than thirty (30) km away from the College's main Campus, with at least twenty (20) employees covered by this Agreement employed thereat, the Union may appoint a Union Campus Committee of up to two (2) members from employees on that Campus who have completed their probationary period.

4.2.1 Membership

The President of the Local Union shall head the Union College/Campus Committee where he/she is located and he/she shall designate the employee to head the Committee at any other Campus location referred to above. It shall be the responsibility of the Union to supply the College with the names of the members (and head of the Union College and/or Union Campus Committee(s)).

4.2.2 Functions

An equal number of College or Campus officials will meet with the Union College/Campus Committee at a mutually agreed time and place provided that either party request a meeting. Such a meeting shall be held within seven (7) days of receipt of a request unless otherwise agreed upon. Notice

of a request for a meeting shall be accompanied by an agenda of matters proposed to be discussed. It is agreed that matters subject to local discussion include:

- the local application of the Agreement including work schedules;
- clarification of procedures or conditions causing misunderstanding or grievances including meeting facilities;
- other matters which are mutually agreed upon;
- employment equity programs;
- employment stability.

It is agreed that where a meeting as contemplated in this sub-article takes place by mutual consent, during regular working hours, members of the Committee appointed by the Local Union shall not suffer any loss of pay during regular working hours when required to leave their duties temporarily for the purpose of attending such a meeting. The Union acknowledges, however, that the employees have their regular duties to perform and will not absent themselves without first obtaining permission from their immediate supervisor and reporting to their immediate supervisor upon returning to their regular duties. In keeping with this understanding, permission to attend such a meeting shall not be unreasonably withheld consistent with College operating requirements.

4.2.3 Excluded Matters

It is agreed that meetings under this Section shall not concern or entertain matters that are properly the subject of meetings as provided in Articles 18 and 19.

4.2.4 Environmental Conditions

The College will continue to make reasonable provision for the environmental conditions of air, light, space and temperature of employees' work areas in the College. A complaint of an employee concerning the environmental conditions mentioned above shall be discussed at a meeting under this Article and not under the provisions of Article 18, Complaints/Grievances.

4.3 List of Part-Time Employees

Once every four (4) months, the Local Union may request in writing a list of persons regularly employed for twenty-four (24) hours per week or less, who have been employed continuously for two (2) months or more and persons hired for projects of a non-recurring kind. Within fifteen (15) working days of the request, the College shall supply the list showing the name, start date, anticipated termination date if known, job performed, department, payband, estimated average hours per week, and regular work location, of each such employee.

Within ten (10) days of receipt of the said list, the Local Union may request that it be discussed at a meeting of the Committee constituted under Article 4.2.2. At such a meeting the College shall provide explanations for assigning work on the basis of part-time and full-time assignments, and the nature of any projects of a non-recurring kind for which people were hired in the preceding four (4) months. The College shall consider any representations which the Local Union may make with respect to the assigning of work on a full-time or part-time basis; concerning the feasibility of converting part-time to full-time assignments; and concerning the staffing of positions resulting from projects of a non-recurring kind.

4.4 New Employees

The Colleges and the Union are aware of the provisions of the Ontario Human Rights Code that provide that persons have the right to be free from a sexual solicitation or advance in the workplace where the person making the solicitation or advance knows or ought to know that it is unwelcome. Both parties subscribe to this principle, and to that end, acknowledge the following objectives:

- a complaint of this nature shall be promptly investigated and, where warranted, appropriate action taken;
- every effort shall be made and maintained by all parties to treat the complaint in a sensitive and confidential fashion, consistent with providing reasonable information to the complainant and the person against whom the complaint is made as to the nature of the allegation, the progress of the complaint, and its resolution or disposition;
- the complaint shall be made to as impartial a person as possible, being the President or his/her designate and who is not the person against whom the complaint is made.

- the transfer, demotion, discipline, counsel or dismissal of an employee in a reasonable manner;
- a decision, based on reasonable grounds and facts, not to promote or grant another benefit in connection with an employee's employment or performance.

The parties recognize that bullying/psychological harassment is unacceptable in the workplace, and to that end acknowledge the following objectives:

- a complaint of this nature shall be promptly investigated and, where warranted, appropriate action taken;
- every effort shall be made and maintained by all parties to treat the complaint in a sensitive and confidential fashion, consistent with

providing reasonable information to the complainant and the person against whom the complaint is made as to the nature of the allegation, the progress of the complaint, and its resolution or disposition;

- the complaint shall be made to as impartial a person as possible, being the President or his/her designate and who is not the person against whom the complaint is made;
- frivolous allegations of bullying/psychological harassment that are unfounded, will be treated as a disciplinary offence, that could lead to dismissal;
- allegations found to be true, will be treated as a disciplinary offence that could lead to dismissal.

It is agreed that the complainant may choose a Union representative to assist him/her in presenting the complaint.

6. WORK SCHEDULES

6.1 Hours of Work

6.1.1 Normal Work Week

The normal work week for employees will be:

- thirty-five (35) hours per week or seven (7) hours per day,
- thirty-six and one-quarter ($36\frac{1}{4}$) hours per week or seven and one-quarter ($7\frac{1}{4}$) hours per day,
- thirty-seven and one-half ($37\frac{1}{2}$) hours per week or seven and one-half ($7\frac{1}{2}$) hours per day,

6.1.2.1 Less than Forty (40) Hours per Week

An employee hired prior to September 1, 1997, who as of that date is scheduled to work a normal work week of less than forty (40) hours per week, shall not be scheduled to work a normal work week of forty (40) hours per week while he/she remains in his/her current position, unless agreed to by the employee.

6.1.2.2 Forty (40) Hours per Week

An employee hired prior to September 1, 1997 and, who on February 28, 2007 was in one of the following job families and assigned a normal work week of forty (40) hours per week, shall not have his/her normal work week reduced from forty (40) hours per week as long as he/she remains in that position:

- Operating Engineer
- Caretaker
- Food Service Worker
- Clerk Supply

- General Maintenance Worker
- Skilled Trades Worker
- Driver
- Bus Driver
- Security Guard.

It is understood that this provision will not apply if the employee is the successful applicant for a position with fewer hours.

6.1.3 Understanding

It is understood that the provisions of this section are intended only to provide a basis for calculating time worked and shall not constitute a guarantee of hours of work per day, or days of work per week or for any period whatsoever. It is understood and agreed that where the normal weekly or daily hours as referred to in Article 6.1.1 above are to be changed, the College shall discuss such changes with the Union College/Campus Committee and hear any representations by it prior to implementation providing such representations are made promptly.

6.1.4 Flexible Hours of Work

Where a College and the Local Union agree and where affected employees approve, the College may implement more flexible hours of work and scheduling arrangements than those provided in Article 6, such as compressed work weeks and job sharing arrangements, except that Article 6.3.1 cannot be varied. Any such variation of any section of Article 6 will be specified in the local agreement. Each agreement shall contain the position title, payband, campus location, shift and names of the employees affected.

Such agreements shall not provide a monetary advantage or disadvantage to the College or to affected employees relative to employees working regular hours. Either party may terminate the local agreement and return to regular schedules or hours of work with two (2) weeks' notice.

Such local agreements shall be signed by the College, the Local Union President, OPSEU Staff Representative and the employee(s) affected and apply for the specific terms agreed upon, but in any event, shall not continue beyond the term of this Agreement.

6.2 Overtime

6.2.1 Overtime Rate

An employee shall be paid at the overtime rate of time and one-half the employee's hourly rate for authorized work performed:

- consisting of a work period of at least one-quarter hour in a day over the normal daily hours designated by the College of seven (7), seven and one-quarter ($7\frac{1}{4}$), seven and one-half ($7\frac{1}{2}$) or eight (8) for the employees concerned; or
- consisting of a cumulative work period of at least one-half hour over the normal work week of thirty-five (35), thirty-six and one-quarter ($36\frac{1}{4}$), thirty-seven and one-half ($37\frac{1}{2}$) or forty (40) hours per week as may be designated by the College for the employees concerned; or
- on an employee's sixth day of work in the week concerned.

6.2.2 Seventh Day - Double Time

Employees referred to in Article 6.1.1 shall be entitled to payment at the overtime rate of double the employee's hourly rate for all authorized work performed on the employee's seventh day of work in the week concerned.

Employees engaged in continuous operations or on special shifts excluded from Article 6.1.1 shall nevertheless be entitled to payment at the overtime rate of double the employee's hourly rate for all authorized work performed on what amounts to any second day of rest in their schedule provided they have completed their regularly scheduled days of work and performed work on what amounts to any first day of rest in their schedule. Employees who have completed their regularly scheduled days of work but have not performed work on what amounts to any first day of rest in their schedule shall receive time and one-half their hourly rate for authorized work performed on what amounts to any second day of rest in their schedule.

6.2.3 Overtime Pay - No Pyramiding

There shall be no duplication or pyramiding of overtime payment nor shall the same hours worked be counted as part of the normal work week and also as hours for which an overtime premium is payable.

6.2.4 Payment/Lieu Time

Where an employee has worked and accumulated authorized overtime under Article 6 (except overtime hours performed on a holiday defined in Article 10) such employee shall have the option of electing payment at the applicable overtime rate or time off equivalent to the applicable overtime rate. Where the employee elects time off at the applicable overtime rate, such time off must be taken within sixty (60) calendar days of the occurrence of the overtime (unless extended by agreement of the College and the employee) at a time determined by the College and satisfactory to the employee. Where time off in lieu is not taken on the foregoing basis, payment shall be made in accordance with the applicable overtime rate.

6.2.5 Overtime Rights

The parties to this Agreement recognize that College operations may require the performance of overtime work and that employees will co-operate in the performance of such work. The College will advise employees of required overtime as far in advance as practicable and, in any event, will give notice of scheduled overtime required prior to the conclusion of the preceding work day except in circumstances beyond its reasonable control. The Colleges agree to attempt to distribute available overtime work as equitably as practicable amongst qualified employees in the work groups in which overtime work is required. Whether or not advance notice of required overtime has been given, the College shall take into consideration the legitimate requests of employees to be excused where the performance of overtime by such employees would cause undue hardship or serious inconvenience. Employees who have been excused on this basis shall be deemed to have worked such overtime for the purposes of considering equitable distribution. Where an employee claims improper distribution of overtime under these provisions and such claim is either agreed to or determined to be valid, the College's obligation shall be limited to offering such employee the next opportunities to perform scheduled overtime work in his/her work group that he/she is qualified and willing to perform until such time as the inequity has been addressed.

6.3 Shift Schedules

6.3.1 Split Shifts

There shall be no split shifts during the term of this Agreement.

6.3.2 Shift Rotation

Where employees are required to rotate amongst shifts, the College shall endeavour to schedule shifts so that there will be a minimum of fifteen (15) hours, or less if the Local Union and the College agree and the affected employee approves, between the end of the employee's regularly scheduled shift and the commencement of his/her new shift. Where there is one (1) or two (2) days off between the change of shift, the College shall endeavour to provide for thirty-nine (39) hours and sixty (60) hours, respectively, between the end of the employee's regularly scheduled shift and the commencement of his/her new shift.

6.3.3 Notice of Shift Change

The College will give at least three (3) weeks' notice with respect to changes in scheduled shifts except in circumstances beyond its control. The College further agrees that where major changes in shift schedules (including new shift schedules) are to be implemented, it will first discuss such changes with the Union College/Campus Committee and hear any representations by it provided such representations are made promptly and will attempt, in any such case, to give at least four (4) weeks' notice.

6.4 Call Back

Where an employee has completed his/her regularly scheduled hours of work and is subsequently called back to duty before the commencement of his/her next regularly scheduled shift, the following provisions shall apply.

6.4.1 Return to the Workplace

When an employee is recalled and is required to return to the workplace, he/she shall receive payment for all hours worked at the applicable overtime rate with a minimum guarantee of four (4) hours overtime at time and one-half his/her regular rate of pay except to the extent that such period of four (4) hours overlaps or extends into his/her regular hours of work. It is understood that this provision has no application in cases of change in an employee's regular hours of work or scheduled overtime including overtime commencing immediately following the completion of an employee's regular schedule of work.

6.4.2 Resolving Issues From an Off-site Location

When an employee is recalled and is not required to physically return to the workplace, the applicable overtime rate shall be paid with a minimum guarantee of two (2) hours. The initial call and any subsequent calls during the same two (2) hour period, will be treated as a single recall to work for the purposes of this paragraph.

6.5 On-Call

On-Call refers to time periods during which an employee must be available and able to respond, within a reasonable time, to resolve a problem either by returning to the workplace or off-site (if applicable). On-call applies to time periods that are not regular working hours, overtime, stand-by or call back.

An employee assigned to be on-call is not required to stay at home, but he/she must make sure that he/she can be contacted and is able to start work within a reasonable time. It is understood that a return to the workplace may not be necessary in all situations. There shall be no pyramiding of premiums. Where the employee is recalled, the provisions of Article 6.4 shall apply.

Where an employee is assigned to be on-call, he/she shall receive one dollar (\$1.00) per hour for all hours that he/she is required to be on-call. No employee shall be required to be on-call or be assigned on-call duty unless authorized in writing by his/her immediate Supervisor.

An employee assigned to be on-call shall not be paid for the on-call period, or part of the on-call period, if he/she was not available or was unable to work due to illness or other circumstances beyond his/her control.

Where the College requires employees to be on-call, qualified employees in the work group shall be selected first on a volunteer basis, in order of seniority, on a rotational basis. Where there are insufficient volunteers, assignment shall be made by reverse order of seniority. However, no employee shall be required to be on-call for more than one hundred and twenty-eight (128) hours per month. Notwithstanding the foregoing, no employee shall be prevented from voluntarily exceeding this maximum.

6.6 Meal Allowance

Where an employee is required to work more than three (3) continuous hours on completion of his/her regular shift and has not been given notice of such overtime on the prior day or before, he/she shall be entitled to a meal allowance not to exceed ten dollars (\$10.00).

6.7 Averaging Hours Worked

6.7.1 Union Discussions

Notwithstanding Articles 6.1 to 6.6, where a College asserts that one (1) or more employees are or will be engaged on special shifts, and seeks to apply the provisions set out in Appendix C (Averaging of Hours of Work), it shall discuss the matter with the Union College/Campus Committee and hear any representations by it prior to implementation provided such representations are made promptly. Following such discussion, implementation may be effected. Once each year, the Local Union may ask the College to review the arrangement to ensure the conditions outlined in point one (1) of Appendix C continue to apply and if requested, the College shall provide the Local Union with the data used by the College in its review. If those conditions are not applicable, then the Appendix C arrangement will no longer apply. In all other cases, overtime payment will be in accordance with Articles 6.1 to 6.6.

6.7.2 Retention of Standard Hours

No employee employed as of September 1, 1997, other than a Support Services Officer, Programmer, Programmer/Analyst, Systems Analyst or Technical Support Specialist shall have Appendix C (Averaging of Hours of Work) applied while he/she remains in his/her current position, unless agreed to by the employee.

7.6 Lead Hand Premium for Temporary Assignments

Where the College temporarily assigns an employee to Lead Hand responsibilities, in accordance with the Letter of Understanding entitled "Lead Hand Definition", the employee shall be entitled to a premium in the amount of seventy-five (75) cents per hour over his/her current hourly wage for all hours worked during such assignment.

The premium shall be payable for all hours worked but shall not form part of the employee's straight time hourly rate for the purposes of overtime or other premium pay.

When the employee works less than the normal hours of work assigned to the position to which he/she has returned, his/her salary, Short Term Disability payments (if entitled) and vacation pay shall be prorated accordingly.

A person shall not be required to return to work within twenty-four (24) months of being eligible to receive LTD benefits, unless he/she is medically capable of performing the duties of his/her former position.

The remaining percentage of his/her wages will be deferred and this accumulated amount plus any interest earned shall be retained for the participant by the College to finance the period of leave.

The percentage deferred shall not exceed an amount determined by dividing the length of the period of leave by the sum of the length of the deferral period and the length of the period of leave and multiplying by 100 (e.g., if length of deferral period = 4 years and length of leave = 1 year, then maximum deferred salary = 20 per cent), but under no circumstances shall the amount deferred exceed the maximum specified in the Canada Revenue Agency directives.

The rates for each of the accounts identified will be those set out in writing by the bank branch with which the College deals. If at the last day of any given month the appropriate bank is not marketing one or more of the above listed products, the remaining products will be averaged.

Interest, calculated as above, shall be applied on a monthly basis, the first credit to be the month following the initial deposit. A yearly statement of the amount standing to the participant's credit will be sent to the participant by the College.

12.8.3.3 Deferral Period (Benefits Structuring)

At the commencement of the period of leave, the College shall pay to the participant the moneys standing to his/her credit less any premiums or contributions deducted for the year, except as may otherwise be mutually agreed, it being understood that interest is not earned for the period of leave.

12.8.3.7 Assignment on Return

12.8.3.9 Withdrawal Rights

A participant may, with the approval of the College, withdraw from the Plan in unusual or extenuating circumstances (e.g., financial hardship or serious illness). Requests for withdrawal must be submitted in writing, detailing the reason(s) for withdrawal before three (3) months prior to commencement of the leave. The College shall maintain the request and its approval as a part of College records.

When a request for withdrawal is approved, the College shall pay to the employee a lump sum amount equal to moneys deferred plus interest accrued to the date of withdrawal from the Plan. Payment shall be made as soon as possible, but must be made within thirty (30) days of approval of withdrawal from the Plan.

The College will reimburse an employee for the cost of certain types of protective devices, as follows:

13.2.1.1 Footwear

Where an employee is required by the College or by legislation, in order to perform his/her duties, to acquire and wear protective footwear, the employee shall provide the College with proof of purchase by March 1 each year and the College shall reimburse such employee, on the first pay day in April in each year, up to a maximum of one hundred and fifty dollar (\$150.00).

In situations other than the foregoing, the College may, in its discretion, (which discretion shall not be unreasonably exercised) reimburse such expense where it is recommended by the health and safety committee constituted under the Occupational Health and Safety Act.

13.2.1.2 Eye Protection

Where an employee is required by the College or by legislation, in order to perform his/her duties, to acquire and wear prescription eye protection, the employee shall provide the College with proof of purchase by March 1 each year and the College shall reimburse to such employee,

on the first pay day of April in each year, up to a maximum of twenty dollars (\$20.00); in situations other than the foregoing, the College, may in its discretion, (which discretion shall not be unreasonably exercised) reimburse such expense where it is recommended by the health and safety committee constituted under the Occupational Health and Safety Act.

13.3 Prior Arrangements

Where, as a result of local practice, at an individual College, employees have, in the opinion of the Local Union, received benefits superior to those provided in Article 13.2.1, such practice shall continue, for the duration of this Agreement, in lieu of the provisions of Article 13.2.1 at the election of the Local Union. The Local Union shall give notice of such election to the College, within sixty (60) days of ratification. In the event of default of such notice, the provisions of Article 13.2.1 shall apply.

13.4 Video Display Terminals

The parties agree to the following terms respecting the use of video display terminals (VDT's) by employees:

13.4.1 Pregnancy (Transfer)

- an employee who is assigned to operate a VDT as part of her duties, who believes that she may be pregnant, shall, at her request, be assigned duties that do not include the operation of a VDT for up to twenty (20) working days or until the status of her pregnancy is confirmed, whichever is sooner; her hourly rate of pay shall be maintained for such period;
- an employee who is assigned to operate a VDT as part of her duties and who is pregnant (as certified by a medical practitioner) shall, at her request be assigned duties that do not include the operation of a VDT for the duration of her pregnancy. In such a case, the College may transfer the employee to another position for the duration of the pregnancy, and the employee shall be paid the rate of pay of the position to which she is transferred. The College will endeavour to minimize loss to the employee by attempting to locate a vacancy for which the employee is qualified. Such a vacancy should have a wage rate reasonably close to that of the employee's own position. Where more than one (1) vacancy

exists for which the employee is fully qualified to perform the work without training, the College, if it transfers the employee, will assign the employee to the vacancy in the position having the maximum rate closest to, but not exceeding, the maximum rate of the employee's own payband.

- where a pregnant employee working within a one-metre radius of a VDT requests to have her work station moved outside the one-metre radius, the College will endeavour to accommodate that request.

13.4.2 Eye Examinations

Employees classified as Microcomputer Operators or Data Entry Operators who regularly use a VDT and such other employees as are agreed upon by the Union College/Campus Committee, (constituted under Article 4.2) shall, at the commencement of employment in such classification and annually thereafter, be given the opportunity to take an eye examination by an optometrist who is qualified to give the following tests:

- Unaided Visual Acuity (letter chart test);
- Refractive Findings;
- Corrected Visual Acuity;
- Amplitude Accommodation;
- Suppression;
- Distance Muscle Balance (Maddox Rod);
- One Metre Muscle Balance (Maddox Rod);
- Near Muscle Balance (Maddox Wing);
- Slit Lamp Biomicroscopy.

The College shall pay the difference, if any, between the fees paid to the optometrist and the amount paid by OHIP. The employee shall sign a form authorizing release of the optometrist's report to the College, and a copy of the report shall be supplied to the College and to the employee.

13.4.3 Work Breaks

Employees who regularly use a VDT shall not be required to perform more than one (1) hour's continuous work at a VDT to the exclusion of other duties at any one time, and the College shall ensure that a break from the

machine (which shall include the performance of other work), of ten (10) minutes duration, is made available under such circumstances.

13.4.4 Work Stations

Where a computer is being used, the College shall equip work stations with terminal tables at an appropriate height, an adjustable chair and, where requested, a foot rest and/or a document holder.

13.4.5 VDT Testing

Where an employee has reasonable cause to believe a health and safety problem exists with his/her VDT, the employee may request that tests be conducted. Should the College not be able to resolve the employee's concern, the College will request that the Ministry of Labour, Occupational Health and Safety Branch, conduct appropriate tests.

13.5 Hepatitis "B" Vaccine

Where an employee's job places the employee at risk of being infected with Hepatitis "B", and the employee agrees to be vaccinated, the College shall pay for the employee's vaccination if the procedure is not covered by OHIP.

14. JOB SECURITY

14.1 Probationary Period

An employee will be on probation until he/she has completed six (6) months of employment with the College in any twelve (12) month period. At the discretion of the College, the probationary period may be reduced for an individual employee to such period of time as the College may determine. On successful completion of the probationary period, he/she shall then be credited with seniority equal to the probationary period served, and seniority thus acquired shall be applied in the manner set out in this Article.

14.2 Accumulating Seniority and Service

14.2.1 Leaves of Absence

Seniority and service shall accumulate for all purposes under the Collective Agreement for a period of up to, but not to exceed, six (6) calendar months during the term of this Agreement during any leave(s) of absence granted, with or without pay, pursuant to the provisions of this Agreement.

14.2.2 Pregnancy, Parental, Developmental Leaves and Less than 12 Month Positions

Notwithstanding the foregoing, seniority and service shall accumulate:

- during the length of a pregnancy and/or parental leave;
- during the length of developmental leave;
- and for any period of layoff pursuant to the Less Than 12 Month Positions Letter of Agreement.

14.2.3 Probationary Employees

This Article shall not apply in the case of probationary employees who shall be required to complete six (6) months of active employment to attain seniority unless waived by the College.

14.2.4 Layoff

It is understood that seniority but not service accumulates during periods of layoff under Article 15.

14.2.5 Workplace Safety and Insurance

Service shall accumulate for up to twelve (12) months of absence while in receipt of Workplace Safety and Insurance benefits.

14.2.6 Short Term Disability, Long Term Disability and Workplace Safety and Insurance

Seniority will continue to accumulate while an employee remains on Short Term Disability, Long Term Disability or in receipt of Workplace Safety and Insurance benefits.

14.3 Transfer Into Union

A person employed by the College, who is transferred into the bargaining unit, will be accorded full seniority, upon completion of the probationary period, based on length of service. Part-time support staff employees transferred into the bargaining unit, after November 14, 1991, shall have their seniority prorated, upon completion of their probationary period, based on a proration of hours of the part time position to the hours of the full-time position using 1820 hours per year as constituting the hours of the full-time position.

It is understood, however, that for the purposes of the application of Article 15.4, administrative staff and employees in the academic staff bargaining unit, who are transferred into the bargaining unit shall be entitled to exercise only that portion of their seniority, if any, accumulated as an employee in the bargaining unit or what formerly was the bargaining unit.

14.4 Bilingual Policy

Notwithstanding any official policy on bilingualism established at the College, no present employee shall be laid off from the College as a direct result of his/her inability to communicate in the French language. Recognizing that the College has the responsibility to determine the language requirements of any

position, the College will, however, not unreasonably deny promotional opportunities to employees because of language requirements. Pursuant to Articles 4.2, 4.2.1 and 4.2.2 the Local Union may request a meeting and management will explain the reasons for the language designation.

14.5 Proration of Part-Time Service for Probation

Where a part-time employee is hired by the College into a full-time position in the bargaining unit, which is either the same position or, is sufficiently similar in nature, he/she shall be credited with service towards completion of the probationary period, based on a proration of the hours of the part-time position to the hours of the full-time position using 1820 hours per year as constituting the hours of the full-time position, to a maximum period of credit of three (3) months service towards the completion of the probationary period, and provided such service occurred within one (1) year of the date of hiring into the bargaining unit.

14.6 Rehiring

Where employment in the bargaining unit ceases or is terminated and the employee is re-employed at the same College within six (6) years, the employee's service and seniority from the original date of hire shall be counted as unbroken, except that the period of non-employment in the bargaining unit shall not count. This provision shall have no effect on the probationary period to be served on re-employment. The parties agree that such re-establishment of service and seniority shall only occur after the rehiring, if any, has taken place.

14.7 Employment Stability

14.7.1 Employment Stability Committee

The parties will establish an Employment Stability Committee (ESC) of up to three (3) persons appointed by the Local Union and up to three (3) persons appointed by the College to undertake the responsibilities contained within Articles 14.7 and 15.3.

The parties agree that meetings should take place on a regular basis.

Members shall not suffer any loss of pay during regular working hours when required to leave their duties temporarily for the purpose of attendance at meetings. The Union acknowledges, however, that the employees have their regular duties to perform and will not absent themselves without first obtaining permission from their immediate supervisor, and reporting to their immediate supervisor upon returning to their regular duties. In keeping with this understanding, permission to attend meetings shall not be unreasonably withheld consistent with College operating requirements.

14.7.2 Strategies

The ESC will seek to achieve employment stability strategies as follows:

- current and multi-year strategies should be developed within the resources available. Such strategies could include, but not necessarily be limited to, planning, retraining, identifying ways of determining employees' skills, training and experience previously achieved, early retirement, voluntary exit programs, alternative assignment, secondment, employee career counselling, job sharing, job trading, job shadowing, and professional development;
- discussions between the parties which explore these possible strategies would assist in the development of appropriate enhancements to Employment Stability;
- data which is relevant to employment stability shall be made available to both parties.

14.7.3 Employment Stability Fund

The College shall make available to the ESC for the purposes set out in Article 14.7, an annual contribution, covering the period of September 1 to August 31, to the Employment Stability Fund (ESF) on September 1 of each year, an amount equal to \$50.00 per full-time member of the bargaining unit at the College (as of August 1 in each year). Where the amount of the ESF is equal to or exceeds an amount equal to \$500.00 per full-time member of the bargaining unit at the College (as of August 1 in each year), the obligation of the College to contribute shall be suspended until the fund is again below that amount. In such a case, the next annual contribution required by the College shall be \$50.00 per full-time member of the bargaining unit at the College (as of August 1 in each year), or the amount

required to restore the ESF to \$500.00 per full-time member, whichever is less.

The ESF shall be maintained in a separate joint trust account at a bank or other financial institution at which the College maintains one or more of its accounts and through the authority of the ESC, the chief financial officer shall disburse funds as directed. The joint account shall be named "(College name) - Support Staff Employment Stability Fund". The books and records of this fund shall be open for inspection by any member of the ESC at any time during regular business hours.

Any requisition for a cheque and/or withdrawal from an account in which the ESF is maintained shall be countersigned by one member of the ESC appointed by the College and by one member appointed by the Local Union.

14.7.3.1 Administration of the Employment Stability Fund

The ESC shall administer and make decisions with respect to the ESF, by using the ESF, or such portion as the ESC considers appropriate, to facilitate employment stability strategies, both long-term and short-term, and for training or retraining. Surplus funds, if any, that are not immediately required for this purpose, may be invested at the instructions of the ESC in any account or certificate of deposit maintained and/or issued by a bank or financial institution.

14.7.3.2 Employment Stability Fund Arbitrator

Where there is no majority decision under Article 14.7.3.1, any member of the ESC may refer the matter to the Employment Stability Fund Arbitrator (ESFA).

There shall be an ESFA established at each College to be appointed by agreement of the President of the College and the President of the Local Union. The appointment, which may be renewable by mutual agreement, shall be for one (1) year, commencing on September 1 and expiring on August 31. In the event that the President of the College and the President of the Local Union are unable to agree upon the appointment of an ESFA, either the College or the Local Union may request the College Relations Commission to appoint an ESFA and the ESFA shall, upon

appointment by the College Relations Commission, have the same powers as if the appointment had been made by the College and the Local Union.

The ESFA may make any decision that the ESC is empowered to make under Article 14.7.3.1.

The ESFA shall determine appropriate procedure and shall issue a decision within ten (10) calendar days of the referral of the matter to the ESFA. The ESFA shall hear the representations of the parties and shall adopt the most expeditious and informal procedure possible.

The decision of the ESFA shall be final and binding on the parties and any employee affected by the decision. The ESFA shall have no power to alter, modify or amend any part of the Agreement nor to make any decision inconsistent therewith.

The College and the Union shall each pay one-half ($\frac{1}{2}$) of the fees and expenses of the ESFA.

15. LAYOFF/RECALL PROCESS

15.1 General

An employee who has completed the probationary period shall not be laid off or subject to the layoff process, for any reason, unless and until the procedures contained in Article 15 have been applied in sequence.

15.2 Notice to Local Union

When the College contemplates any action that may result in an employee who has completed the probationary period being subject to the layoff process, the College shall give fourteen (14) calendar days written notification to the Local Union President prior to written notice being provided to the employees affected. At the same time, the College shall provide the Local Union with all data used by the College in formulating its tentative determination to undertake the action contemplated.

15.3 Committee

15.3.1 Meetings

In addition to committee meetings under Article 14.7.1, the Employment Stability Committee (ESC) shall meet within five (5) calendar days of the giving of such notice, unless the parties mutually agree to extend these time limits.

15.3.2 Confidentiality

The Local Union, the College and the ESC shall maintain confidentiality with respect to any information received and the deliberations of the ESC until mutually agreed between the College and the Local Union. Nothing herein shall prevent the parties from obtaining advice, on a confidential basis, as required.

15.3.3 Recommendations

It shall be the duty of the ESC to consider the matter and to make recommendations to the President of the College with respect to any or all

of the alternatives listed below which might be resorted to in order to prevent or minimize the dislocation of employees:

1. Potential creation of vacancies that might be filled by affected employees;
2. Conversion of part-time positions and/or displacement of non-bargaining unit employees;
3. The utilization of other means, such as normal retirements, voluntary leaves or transfers in order to prevent or minimize the effects of the action contemplated;
4. The improvement of employment potential for employees affected by the provision of training or retraining programs and job counselling;
5. Investigation of potential alternative job opportunities that might exist for employees affected both within and outside the College, such as comparable employment opportunities;
6. The temporary assignment of redundant and displaced employees to positions held by other employees who are on various leaves of absences.

It will be the duty of the ESC to make recommendations to the President of the College within fourteen (14) calendar days of notice provided under Article 15.2. Where the ESC is unable to agree on any recommendations, the members appointed by the Union and the members appointed by the College may make separate recommendations. Where separate recommendations are to be delivered they will be exchanged between the appointees prior to delivery.

15.3.4 Confidentiality of Recommendations

Where recommendations, either joint or separate, are delivered to the President of the College, they shall be maintained as confidential until the fourteen (14) calendar day period mentioned in Article 15.2 has expired, or such other period as may be agreed by the Local Union and the College.

15.3.5 Notice to Employees

15.3.5.1 Written Notice of Layoff

If, after consideration by the President of the recommendations, the College determines that layoffs are still necessary, employees may

receive written notice of layoff after the fourteen (14) calendar day period mentioned in Article 15.2, or such other period as may be agreed by the Local Union and the College.

15.3.5.2 Notice Period

No employee shall be laid off without receiving ninety (90) calendar days written notification from the College except in circumstances beyond the reasonable control of the College.

15.3.6 Continued Discussions

Where the ESC wishes to make further recommendations, the ESC may continue to meet following notice being provided to employees pursuant to Article 15.3.5.1, and may make further recommendations to the President to attempt to minimize the dislocation of employees.

15.4 Layoff Procedure

When a College decides that circumstances require a reduction in personnel in any position the following provisions shall apply:

15.4.1 Probationary Employees

Probationary employees performing the work in question shall be released. The College shall notify the Union of probationary employees released in these circumstances.

15.4.2 Post Probationary Employees

Where the qualifications of employees in the affected position who have completed their probationary period are relatively equal as to that position, their layoff shall be on the basis of seniority.

15.4.3 Bumping Procedure

The employee so identified shall be assigned by the College to the first position determined in accordance with the following sequence:

- to a vacant position in the same payband provided he/she can satisfactorily perform the core duties and responsibilities of the job. If there is no such position then;
- to the position held by the most junior employee within his/her same payband provided he/she can satisfactorily perform the core duties and responsibilities of the job and he/she has greater seniority. If there is no such position then;
- to a vacant position in the payband with a maximum rate one lower than the employee's own payband provided he/she can satisfactorily perform the core duties and responsibilities of the job. If there is no such position then;
- to the position held by the most junior employee in the payband with a maximum rate one lower than the employee's own payband provided he/she can satisfactorily perform the core duties and responsibilities of the job and he/she has greater seniority;
- the provisions of the last two sections shall be repeated until all paybands have been reviewed in descending order of maximum rate and either a vacant position or a position held by a more junior employee is identified and the employee affected can satisfactorily perform the core duties and responsibilities of the job. If no such position is identified the employee shall be laid off.

(To illustrate how this sequence operates on or after March 1, 2007, see the Letter of Understanding appended to the Collective Agreement, dated October 2, 2008.)

15.4.4 Layoff or Reassignment

15.4.4.1 Notice

The employee shall be provided written notice of layoff or reassignment. Should the employee receive notice of reassignment, the employee may elect in writing, to be laid off in lieu of such reassignment, provided such election is made within five (5) working days of notice being provided to the employee. In such case the date the employee received the notice of reassignment shall be deemed to be the date of notice of layoff. The College shall provide a further letter to the employee confirming layoff.

15.4.4.2 Position Outside Forty (40) Kilometres

Where the position identified in accordance with the above sequence is in excess of forty (40) kilometres from the location at which the employee is normally assigned, the employee shall have a further right of election. The College, by again following the sequence in Article 15.4.3, shall identify the first position, if any, within forty (40) kilometres of the location at which the employee is normally assigned and the notice provided in accordance with 15.4.4.1 shall identify both positions if a second position is identified. The employee shall elect in accordance with 15.4.4.1 to take either the job identified which is in excess of forty (40) kilometres or to take the job identified which is within forty (40) kilometres or to be laid off.

15.4.5 Displacement

15.4.5.3 Final Displacement

An employee displaced as a result of the "Third Displacement" shall be laid off by the College.

15.4.6 Familiarization Period

It is understood that the College is not required to train an employee for a position into which he/she may be assigned pursuant to Article 15.4.3, but the College shall provide a reasonable period of familiarization where necessary.

15.4.7 Rate of Pay

An employee who has been assigned to a position pursuant to the above procedure shall continue to receive his/her current rate of pay for a period of ninety (90) calendar days. Thereafter, an employee who has been assigned to a position pursuant to the above procedure shall receive the rate within the payband for the new position, which is closest to, but does not exceed, his/her current rate and for the purpose of further progression, if any, within the payband shall be deemed to have service within such position equivalent to his/her service in his/her prior position. The ESC may consider using the ESF to offset the cost for the ninety (90) day differential between the two wage rates.

15.5 Waiver of Rights/Severance

15.5.1 General

Where an employee (other than one who is affected by contracting out and who elects to receive severance pay pursuant to Article 15.5.2) is laid off and has:

15.5.2 Severance Pay - Contracting Out

In the event that an employee who is being laid off as a result of contracting out exercises his/her option to waive the recall procedure, as herein set out, he/she shall be entitled to severance pay based on one (1) week's pay at his/her current salary for each year of service.

15.5.3 Severance Pay - No Pyramiding

In deciding the amount of severance pay required to be paid by the College, any pay in lieu of notice or severance pay required to be paid under the Employment Standards Act (Ontario) shall be deemed to be a credit toward the severance pay entitlement under Article 15.5. The intention of this provision is to avoid pyramiding of pay in lieu of notice and severance pay under the Employment Standards Act (Ontario) and the severance pay requirements hereunder.

15.6 Recall

For the purposes of this Article, a vacancy is any position within a payband in which the College requires staffing and includes vacancies posted under Article 17.1 for which a final selection and confirmation of employment has not been made by the College.

Persons with recall rights will also be entitled to apply for vacancies posted pursuant to Articles 17.1 and 17.1.1.

15.6.2 Recall Outside Forty (40) Kilometres

If the opportunity is outside forty (40) kilometres of the location at which the person was assigned, the person will be allowed refusals without

forfeiting his/her recall under this Article until or if, an opportunity, if any, within forty (40) kilometres is offered or until the recall rights have expired, whichever comes first.

15.6.3 Recall List

The College will provide current recall list to the ESC on its request.

Where a person who was in the bargaining unit has been laid off by the College, pursuant to the provisions of Article 15, the College agrees to provide for a fee of twenty dollars (\$20.00) per course plus the cost of required course materials, both of which will be paid from the Employment Stability Fund:

15.7.2 Duration of Retraining

This retraining opportunity shall continue for up to three (3) years from the date of layoff or until such person is recalled, whichever occurs first. Where a person has not completed a course or program in which he/she is enrolled at the time of recall, the College shall consider ways of enabling the individual to complete the course or program.

15.7.3 Re-employment Assistance

The College agrees to assist persons laid off from the Bargaining Unit towards achieving re-employment by providing career counselling, job search assistance, and retraining opportunities through the application of existing College services.

The College shall make an effort to assist him/her in locating suitable non-bargaining unit work within the College.

15.8 Contracting Out - Union Notification

If the College decides to contract out work or services which are being performed by employees at the commencement date of this Agreement which would cause the layoff or involuntary displacement of any employees covered by this Agreement, the College will notify the Local Union and OPSEU Head Office four (4) weeks in advance of the written notice being provided to the employees affected. The processes in Article 15.3 shall be followed.

15.9 Reimbursement of Relocation Costs

An employee reassigned by the College under the provisions of Articles 15 and 17.4 to a work location more than eighty (80) kilometres distant from the employee's previous work location shall be reimbursed for necessary expenses incurred in transporting the employee's household furniture and effects to a residence near such new work location up to a maximum amount of \$1,000. Packing and insurance charges shall not qualify as an expense for reimbursement purposes. To qualify for reimbursement, such relocation of residence and expense incurred as a result must take place within one year of the reassignment.

Seniority shall be lost and employment deemed to be terminated if:

- the employee voluntarily quits;

The College shall notify the Local Union President in writing when a posting has been filled.

17.1.2 Job Reversal

Where an employee has been selected for a posted vacancy in accordance with the provision herein and it is subsequently determined by the College, after discussion with the employee, within sixty (60) calendar days from his/her assignment to the position that he/she cannot satisfactorily perform the requirements of the job in question, the College will return the employee to his/her former rate and position without loss of seniority. Any further displacement of employees as a direct result of his/her return shall be accomplished by transferring such employees to their former position and wage rate without loss of seniority unless otherwise agreed upon and such transfer shall not be the subject of any grievance.

17.1.3 Resultant Vacancies

The first and second resultant vacancies, if any, arising out of the filling of a particular posted vacancy in Article 17.1.1 shall be posted and the same provisions shall apply. Any further resultant vacancies which arise need not be posted. Where such vacancies need not be posted, the College shall, however, give proper consideration to qualified bargaining unit employees prior to filling such position(s).

17.1.4 Consideration - Non-Bargaining Unit Employees

Employees who are not included in the bargaining unit may apply for posted vacancies but will be considered only after the application of Articles 17.1.1 and 17.1.1.1. In addition to any other factor that the College considers relevant, consideration will be given to service with the College.

17.2 Promotion/Re-evaluation

17.2.1 From A Permanent Position

An employee who is promoted or re-evaluated to a higher payband shall be paid the rate for the new payband which provides an increase of not less than the next wage rate step increase which would have been available to the employee in his/her former payband. Where the employee was receiving the maximum rate, the increase shall not be less than the difference between the maximum rate and the preceding rate step in the former payband. The new wage rate shall not exceed the maximum rate of the new payband.

17.2.2 From A Temporary Position

When an employee is assigned temporarily to a position, and then receives a promotion or re-evaluation to the same position or to a position which is sufficiently similar in nature, the employee's wage rate in the temporary position will be used to calculate the new wage. Otherwise the employee's last wage rate in his/her permanent position shall be utilized. The new wage rate shall not exceed the maximum rate of the new payband.

17.3 Temporary Assignments

17.3.1 Temporary Postings

Where the College has at least four (4) weeks' notice of a temporary vacancy in the bargaining unit which is expected to be of more than four (4) months' duration, the College shall post the temporary vacancy so that bargaining unit employees can indicate their desire to be selected for such vacancy.

Recognizing that the College reserves the right to select a person in the bargaining unit or hire a temporary employee at its discretion, where a bargaining unit employee is selected as a temporary replacement the employee will have the right to return to his/her regular position or its equivalent on the expiration of the temporary assignment. The first resultant temporary vacancy shall also be posted in accordance with this

clause if it meets the criteria. It is understood that none of the clauses of Article 17.1 apply to temporary vacancies.

17.3.2 Higher Wage Rates

When the duties and responsibilities of a position within a higher rate payband (or having a higher maximum salary) are assigned temporarily by the College to an employee, for a period in excess of one (1) working day, the following conditions shall apply:

- the affected employee shall be paid the next higher rate in that payband which provides an increase of not less than the incremental amount available to the employee in the payband occupied immediately prior to the assignment providing the resultant rate does not exceed the maximum rate of the new payband;
- where such employee was receiving the maximum rate, the increase shall not be less than the incremental differential between the maximum rate and the preceding rate in that payband providing that such new rate does not exceed the maximum rate for the payband to which he/she is temporarily assigned.

17.3.3 Lower Wage Rates

When the College temporarily assigns an employee to the duties and responsibilities of a position in a payband with a lower rate range or maximum salary where there is no work reasonably available for him/her in the position from which he/she was assigned, he/she shall be paid the lower applicable wage rate to which he/she was assigned after the expiration of ten (10) consecutive working days in such lower payband.

When the College temporarily assigns an employee to the duties and responsibilities of a position in a payband with a lower rate range or maximum salary where there is work reasonably available for him/her in that position from which he/she was assigned, he/she shall continue to be paid at the rate applicable to the position from which he/she was assigned.

17.3.4 Excluded Positions

When a College temporarily assigns an employee to the duties and responsibilities of a position excluded from the provisions of this Collective Agreement, the employee's obligations to contribute to the regular monthly Union dues under Article 5.4 and his/her seniority shall continue during the period of such temporary assignment up to a maximum period of twelve (12) calendar months unless extended by agreement of the Local Union and the College.

17.3.5 Emergency Work Assignment

The parties to this Agreement recognize that if the College has been unsuccessful in obtaining Appendix D employees, College operations may require the assignment of work that necessitates full-time bargaining unit employees to perform work at another campus, which is not the employee's regularly assigned workplace due to emergency circumstances beyond the College's reasonable control. When the College has given notice of such an emergency work assignment, the College shall take into consideration the legitimate requests of employees to be excused where the performance of such an assignment would cause undue hardship or serious inconvenience. If the emergency work assignment is in excess of forty (40) kilometres from the employee's regularly assigned work location, the employee shall have the right to refuse such assignment.

17.4 Transfers

When a College determines that an employee is to be transferred between campuses, it will give the employee at least three (3) weeks' notice of the transfer. This Article will not apply where transfers are made pursuant to the layoff procedures. In such circumstances the applicable layoff process will apply.

If the employee is transferred to a work location more than eighty (80) kilometres distant from the employee's previous work location then Article 15.9 shall apply.

18. COMPLAINTS/GRIEVANCES

18.1 Definitions

18.1.1 Committee Secretary

"Committee Secretary" means the Executive Director of the Council;

18.1.2 Day

For the purpose of this Article, reference to "days" shall exclude Saturdays, Sundays, and statutory holidays.

18.1.3 Union

"Union" means the Ontario Public Service Employees Union;

18.1.4 Grievance

"Grievance" means a complaint in writing arising from the interpretation, application, administration or alleged contravention of this Agreement.

18.2 General Conditions

18.2.1 Time

If the grievor fails to act within the time limits set out at any Complaint or Grievance Step, the grievance will be considered abandoned.

18.2.2 No Reply

If an official fails to reply to a grievance within the time limits set out at any Complaint or Grievance Step, the grievor may submit his/her grievance to the next Step of the grievance procedure.

18.2.3 Extensions

At any Complaint or Grievance Step of the grievance procedure, the time limits imposed upon either party may be extended by mutual agreement.

18.2.4 Holiday Exclusion

The time limits set out at the Complaint or Grievance Steps, including the referral to arbitration, shall exclude the holiday period referred to in Article 10.2.

18.2.5 Recognition of Union Representation

At a meeting at any Complaint or Grievance Step of the grievance procedure, subject to Article 18.5 the employee may be represented by a Union Steward if the employee desires such assistance; at Step No. 3 a Union Staff Representative may be present at the request of either the College or the Union. It is recognized that at some Colleges and/or Campuses there may be occasions when no Stewards have been elected or selected. In such a case, Colleges are prepared to recognize the attendance of a Local Union Officer in place of the Steward at meetings referred to in this Agreement.

18.2.6 Maintenance of Wages for Time Off

It is understood and agreed that the grievor and his/her Steward or Local Union Officer shall not suffer any loss of pay when (during regular working hours) their presence is requested by the grievor and they must leave their duties temporarily to attend meetings under this Article. The Union acknowledges, however, that employees have their regular duties to perform and they will not absent themselves without first obtaining permission from their immediate Supervisor and reporting to their immediate Supervisor upon return to their regular duties. In keeping with this understanding, permission to attend such meetings shall not be unreasonably withheld consistent with College operating requirements.

18.2.7 Rights

An employee shall not be required to appear before a committee, board or other investigating body to answer concerning his/her conduct or performance without first being given reasonable opportunity to be accompanied by an employee representative if, as a result of his/her appearance, he/she may be subject to some written reprimand, assessment or penalty. However, this provision shall not be applicable when an

employee is required to appear before his/her immediate Supervisor or, in his/her absence, the person acting in his/her stead or the Human Resources representative of the College to answer concerning his/her conduct or performance.

18.3 Types of Grievance

18.3.1 Group Grievance

Where a number of employees in any College have identical grievances and each employee would be entitled to grieve separately, they shall present a group grievance in writing signed by each employee to the Director of Human Resources, or as designated by the College, within fifteen (15) days following the occurrence or origination of the common circumstances giving rise to the grievance commencing at Step No. 2 of the grievance procedure. The grievance shall then be treated throughout the balance of the grievance procedure as a single grievance.

18.3.2 Multi-College Issues

Where the grievance pertains to a number of Colleges, separate grievances shall be sent to the Directors of Human Resources or designated persons of each College affected with copies to the Executive Director of the Council.

Failing settlement following the Step No. 3 meeting, such grievance may be referred to arbitration providing such referral is within fourteen (14) days of the receipt of the Step No. 3 reply.

18.3.3 Union Grievance

The Union shall have the right to file a grievance based on a difference arising directly out of the Agreement concerning the interpretation, application, administration or alleged contravention of this Agreement. However, such grievance shall not include any matter upon which an employee is personally entitled to grieve and the regular grievance procedure for a grievance peculiar to an individual employee shall not be bypassed except where the Union establishes that the employee has not grieved an unreasonable standard that is patently in violation of this Agreement and that adversely affects the rights of persons in the bargaining

unit. A Union grievance shall be presented in writing, signed by the Local Union President or his/her designee to the Director of Human Resources or as designated by the College concerned, within thirty (30) days after the circumstances giving rise to the complaint have occurred, or have come to or ought reasonably to have come to the attention of the Union. The grievance shall then be processed in accordance with Step No. 3 of the grievance procedure.

18.3.4 College Grievance

The College shall have the right to file a grievance based on a difference arising directly out of the Agreement concerning the interpretation, application, administration or alleged contravention of this Agreement. Such grievance shall be presented in writing, signed by the President or his/her designee to the Local Union President of the College concerned with a copy to the Union President within thirty (30) days following the occurrence or origination of the circumstances giving rise to the grievance.

The grievance shall then be processed in accordance with Step No. 3 of the grievance procedure with the appropriate changes. Failing settlement following Step No. 3 meeting, such grievance may be referred to arbitration providing such referral is within fourteen (14) days of the receipt of the Step No. 3 reply.

18.4 Classification Grievances

18.4.1 Grievance to College Official

An employee who claims his/her assigned job is improperly evaluated may present a grievance in writing to the College official designated responsible for classification grievances.

The written grievance must specify the payband claimed by the employee to be appropriate.

18.4.1.1 Retroactive Payment

It is understood that there shall be no retroactive payment prior to the date of presentation of the written grievance as specified above.

18.4.2 Grievance Process

18.4.2.1 Step I - Meeting and Information Provided

The College Official shall arrange a meeting within fourteen (14) days after receiving the grievance to permit the employee and a Local Union Representative the opportunity of making representations in support of the grievance.

The College Official shall ensure that the current Position Description Form (PDF), as per Article 7.2, is provided at least five (5) days prior to the meeting. At the meeting, the employee must first indicate in writing whether he/she is in agreement with the PDF and if not what specific disagreements he/she has with it. A discussion to resolve any differences shall then take place. At this meeting, following discussion on the PDF, both parties will exchange, in writing, the point rating by factor for the position in dispute.

18.4.2.2 College Official's Decision

Within fourteen (14) days after the receipt of the point rating by factor from the Union, the College Official shall give his/her decision in writing. It is understood that the grievance cannot proceed further until the point rating by factor and the specific disagreements on the PDF, if any, have been received by the College Official, in writing from the Union.

18.4.2.3 Referral to Arbitration After Step I

Where the grievance has not been resolved at Step I but there is agreement concerning the PDF, the matter may be referred directly to Arbitration by notice in writing given to the College within fourteen (14) days of the date the grievor should have received the College's decision under Step I. The matter will be referred to a single arbitrator as provided in Article 18.4.3.

18.4.2.4 Step II

Where the grievance has not been resolved and where the grievor is not in agreement with the PDF, then he/she shall refer the grievance in

writing to the President of the College within fourteen (14) days of the date he/she received or should have received the decision.

The President or his/her designee shall convene a meeting concerning the grievance within fourteen (14) days of the presentation, at which the grievor shall have an opportunity to be present. The President or his/her designee shall give his/her decision in writing, within fourteen (14) days following the meeting.

18.4.2.5 Referral to Arbitration After Step II

Where the grievance has not been resolved at Step II the matter may be referred to Arbitration by notice in writing given to the College within fourteen (14) days of the date the grievor should have received the College's decision under Step II. The matter will be referred to a single arbitrator as provided in Article 18.4.3. On mutual written agreement signed by the Local Union and the College, the matter shall be referred to an Arbitration Board as provided under Article 18.4.4.1.

18.4.3 Expedited Arbitration

Where the grievance has not been resolved, it shall proceed as herein provided:

18.4.3.1 Arbitrators

Any matter so referred to arbitration, including any questions as to whether a matter is arbitrable pursuant to this process, shall be heard by one of the following specially trained Arbitrators:

M. Cummings	K. O'Neil
J. Devlin	I. Springate
I. Hunter	L. Tenace
R. McLaren	M. Tims

The Arbitrators shall be assigned either by agreement or failing agreement, by lot. The parties may from time to time by mutual agreement add further names to such list.

All Arbitrators so added shall undergo a training session on the job evaluation system, to be jointly developed and presented by the parties, and all current Arbitrators shall undergo reorientation to the job evaluation system every two (2) years.

18.4.3.2 Time

A single Arbitrator appointed under this expedited process shall commence to hear the matter referred within twenty-one (21) days of his/her appointment wherever possible, and shall issue a brief written notice of his/her decision within fourteen (14) days of the hearing. Copies of the decision shall be sent to the Local Union, the College, OPSEU Grievance Department and the Council.

18.4.3.3 Arbitration Data Sheet

The Arbitration Data Sheet must be completed and signed by both parties in advance of the hearing.

18.4.3.4 Information to Arbitrators

The following shall be received by the Arbitrator no less than fourteen (14) days prior to the hearing:

- the PDF supplied by the College;
- a completed Arbitration Data Sheet;
- a brief written submission by the Union describing the grievance and referencing appropriate section(s) of the PDF;
- a brief written submission by the College.

The parties shall deliver their written submissions to the other party at the same time that they are forwarded to the Arbitrator.

No written submission or materials can be considered at the hearing that have not been provided by the parties in conformity with the process set out in this clause.

18.4.3.5 Site

The hearing will take place at a site mutually acceptable to the parties. Failing agreement, the Arbitrator shall select the site.

18.4.3.6 Hearing

The parties agree that the process shall be informal and that legalistic processes normally used in conventional arbitration shall not be used. Up to three (3) Management representatives and three (3) Union representatives may attend the hearing. The parties will inform each other no less than five (5) days in advance who will attend. One (1) person from each side will be designated as spokesperson. The Arbitrator may ask questions of any of the Union or Management representatives present. The spokesperson for each party may give a summary statement normally not exceeding fifteen (15) minutes at the conclusion of the question period. While it is generally not the intent of the parties to use an outside legal counsel at an expedited arbitration hearing, the parties agree that where they intend to use such counsel at the hearing, they shall notify the other party at least ten (10) days before the date of the hearing. In addition a translator may be present if necessary. The side that requests the translator shall be responsible for the cost involved. By mutual written agreement five (5) days in advance each party may introduce an observer/observers to the meeting.

18.4.4 Classification Arbitration Board

The Arbitrator appointed under Article 18.4.3.1 may decide that a particular grievance should be referred to an Arbitration Board on receipt of the documents referred to in Article 18.4.3.3 or in Article 18.4.3.4 or at the hearing. Either party may recommend such referral in its written submission to the Arbitrator.

18.4.4.1 Arbitration Board Selection

The chairperson of the Arbitration Board shall be selected from the list included in Article 18.4.3.1 and the nominees selected pursuant to the provisions of Article 18.7.

18.4.5 Powers of Arbitrators in Classification Grievances

A single Arbitrator or Arbitration Board hearing a classification grievance shall have the powers set out in Articles 18.6.4 to 18.6.8 inclusive.

18.4.5.1 Restrictions

The single Arbitrator or Arbitration Board is restricted to determining whether the grievor's PDF accurately reflects his/her assigned job content (where disagreement exists) and to determining whether the grievor's job is properly evaluated pursuant to the CAAT Support Staff Job Evaluation Manual.

18.4.6 Cost Sharing

The College and the Union shall each pay one-half (1/2) the remuneration and expenses of the chairperson and shall each pay the remuneration and expenses of their nominee should an Arbitration Board be utilized.

18.5 Working Conditions and Terms of Employment

18.5.1 Grievances

A complaint shall be taken up as a grievance in the following manner and sequence provided it is presented within fifteen (15) days after the circumstances giving rise to the complaint have occurred, or have come or ought reasonably to have come to the attention of the employee.

18.5.1.1 Step 1

An employee shall present a signed grievance in writing to his/her immediate Supervisor stating the nature of the grievance, the remedy sought and shall be sufficiently specific to identify the alleged violation(s) of the Collective Agreement. A meeting may be held with the Supervisor to discuss the grievance. The immediate Supervisor shall give the grievor his/her decision, in writing, within five (5) days following receipt of the grievance.

18.5.1.2 Step 2

If the grievor is not satisfied with the decision of his/her immediate Supervisor he/she shall present his/her grievance in writing within seven (7) days of the day he/she received the decision to the Department Head of the Department in which he/she is employed. The Department Head shall give his/her decision, in writing, to the grievor within seven (7) days of the presentation. It is agreed, however, that where an employee's immediate Supervisor and his/her Department Head are one and the same person, the second step shall be dealt with at the next level of supervision.

18.5.1.3 Step 3

Where the grievor is not satisfied with the decision at Step 2, he/she shall present his/her grievance in writing within seven (7) days of the date he/she received the decision to the President of the College.

The President or his/her designee shall convene a meeting concerning the grievance, within fourteen (14) days of the presentation, at which the grievor shall have an opportunity to be present, and shall give the grievor his/her decision, in writing, within seven (7) days following the meeting.

18.5.1.4 Grievances - Unsuccessful Competition

In cases of a grievance regarding an unsuccessful competition, the procedures described under Articles 18.5.1.1 to 18.5.1.3 shall apply, except that the Supervisor referred to in the foregoing shall be the immediate Supervisor of the position for which the applicant was unsuccessful and where subsequently necessary, that immediate Supervisor's Department Head.

18.6 Grievance re: Dismissal, Suspension, Layoff or Reassignment

18.6.1 General

Articles 18.6.2 and 18.6.3 apply to an employee covered by this Agreement who has completed his/her probationary period, it being understood that the dismissal, suspension or release of an employee during the probationary period shall not be the subject of grievance.

18.6.2 Grievance

An employee who claims he/she has been dismissed or suspended without just cause or improperly laid off or reassigned shall, within fifteen (15) days of the date he/she is advised in writing of his/her dismissal, suspension, layoff or reassignment present his/her grievance in writing to the President, commencing at Step No. 3 and the President, or his/her designee shall convene a meeting and give the grievor and the Union Steward his/her decision in accordance with the provisions of Step No. 3 of Article 18.5.1.3. A Union Staff Representative may be present at such meeting at the request of either the College or the Local Union.

18.6.2.1 Layoff Grievance

An employee claiming improper application of Article 15.4.3, shall state in the grievance the position(s) and name of incumbent, if any, to which the employee claims entitlement.

The College will provide the current PDFs of the positions, named in the grievance, to the employee within three (3) days after the filing of the grievance.

If the grievance is not resolved, then the written referral to arbitration shall specify, from the position(s) originally designated, no more than four (4) positions which shall thereafter be the subject matter of the grievance and the arbitration.

18.6.3 Arbitration

If the grievor is not satisfied with the decision of the President, the grievor shall, within ten (10) days of receipt of the President's decision by notice in writing to the Director of Human Resources or College's designee, refer the matter to arbitration, as provided in this Agreement.

18.6.4 Powers

The Arbitration Board shall have those powers set out in the Colleges Collective Bargaining Act, 1990.

18.6.5 Limitations

The Arbitration Board shall not be authorized to alter, modify or amend any part of the terms of this Agreement nor to make any decision inconsistent therewith nor to deal with any matter that is not a proper matter for grievance under this Agreement.

18.6.6 Arbitration Board Power

The Arbitration Board may dispose of a grievance without further notice to any person who is notified of the hearing and fails to appear.

18.6.7 Majority Decision

The finding of the majority of the Board as to the facts and as to the interpretation, application, administration or alleged contravention of the provisions of this Agreement, shall be final and binding upon all parties concerned including the employee(s) and the College.

18.6.8 Cost Sharing

The College and the Union shall each pay one-half (1/2) the remuneration and expenses of the Chairperson of the Arbitration Board and shall each pay the remuneration and expenses of the person it appoints as its nominee.

18.7 Arbitration Procedure

18.7.1 Referral to Arbitration

In the event any difference arising from the interpretation, application, administration or alleged contravention of this Agreement has not been satisfactorily settled under the foregoing grievance procedure, the matter shall then, by notice in writing given to the other party within ten (10) days of the date of receipt by the grievor of the decision of the College's Official at Step No. 3, be referred to arbitration as provided.

18.7.2 Arbitrators

Any matter so referred to arbitration, including any questions as to whether a matter is arbitrable, shall be heard by an Arbitration Board of three (3) persons, which Board shall be selected as follows:

- The Chairperson shall be selected from the following list:

M. Bendel	M. Picher
M. Cummings	P. Picher
L. Davie	S. Raymond
J. Devlin	G. Simmons
R. Howe	S. Tacon
W. Kaplan	L. Tenace
B. Keller	M. Tims
R. MacDowell	K. Whitaker
K. O'Neil	

- The Chairperson shall be assigned either by agreement or, failing agreement, by lot. The parties may from time to time by mutual agreement add further names to such list;
- Following selection of a Chairperson, the College and the Union shall each appoint its appointee within ten (10) days thereafter and forthwith notify the other party and the Chairperson. However, if the College and Union mutually agree to arbitration by a sole Arbitrator, (prior to selection of a Chairperson) he/she shall be selected from the list and the other provisions referring to an Arbitration Board shall appropriately apply.

18.7.2.1 Persons Excluded

No person shall be appointed as a member of an Arbitration Board who is, or was within six (6) months prior to his/her appointment an employee or is or has within six (6) months prior to his/her appointment, acted as solicitor, counsel, advisor, agent or representative of either of the parties or the College concerned. Any Chairperson who declines to act on five (5) consecutive occasions shall be removed from the list and a replacement selected by mutual agreement of the parties.

19. DURATION

This Agreement shall continue in full force and effect until the 31st day of August, 2011, and shall continue automatically thereafter for the annual periods of one (1) year each unless either party notifies the other in writing of its desire to amend or modify the Agreement.

Notice to bargain shall be in accordance with the *Colleges Collective Bargaining Act*, 1990, and following receipt of notice to bargain the parties shall meet within thirty (30) days following such notice or such other time as may be agreed to.

Dear Sir:

RED CIRCLE RATES

Certain employees within the bargaining unit as of September 1, 2008 enjoyed "red circle" rates paid due to special circumstances including transfers to positions within the bargaining unit. To the extent those special circumstances continue during the term of the Collective Agreement, the employees in question shall continue to enjoy such "red circle" rates and the cents per hour differential over their respective rates and the then current applicable wage rate for the payband shall apply, subject to the reduction (or elimination) of such red circle rates by the lesser of 10 cents per hour or the elimination of such "red circle" rate, effective from September 1, 2008, September 1, 2009 and September 2010.

The conditions set out herein shall also apply to bargaining unit employees at Algonquin College currently receiving a bilingual allowance.

Dear Madam:

LETTER OF INTENT ARTICLE 5.2

The Support Staff Collective Agreement now provides an 18-hour formula, under Article 5.2, for time off for Local Union business at Colleges with Support Staff complements of 350 or more. This will confirm our understanding that Mohawk College and Northern College will be considered to be Colleges to which this formula will apply for the duration of this Agreement.

Dear Sir:

LESS THAN 12 MONTH POSITIONS

It is recognized that the Colleges have positions within the bargaining unit from time to time that, because of the nature of the service rendered, require staffing for less than twelve (12) months a year. In such a case, where less than full time employment is identified prior to the time of hiring such employees, the College may effect a layoff of such employees for a period of up to but not exceeding three (3) months in any employment year without regard to the provisions of the Collective Agreement. Notwithstanding the foregoing, seniority and service shall accumulate for all purposes under the Collective Agreement during such period of layoff. This provision shall have no application where the employee in lieu of layoff hereunder has been granted a leave of absence in which case Article 14.2 shall have application.

Prior to posting such a position, the College shall notify the Local Union of the circumstances and, where the Local Union requires discussion and explanation as to the basis for such a position being reduced to less than a twelve (12) month basis, it may request a meeting with the College, at which time a full explanation of the circumstances surrounding the designation of the position shall be given.

Yours truly,

Dear Madam:

TIME-OFF - ST. LAWRENCE COLLEGE

This will confirm the parties' agreement on the application of Article 5.2 of the Collective Agreement at St. Lawrence College.

Since there are two (2) OPSEU Locals at St. Lawrence College; the College will permit Local 418 up to nine and one-half (9½) hours per week and Local 419 up to eight and one-half (8½) hours per week, to a maximum of eighteen (18) hours per week at the College as a whole, under Article 5.2.

It is agreed that, during the term of the Agreement, this arrangement regarding time off will continue. However, the financial obligation of the College will be limited to the amount of fifteen (15) hours.

The College will bill each Local Union for one-quarter (¼) of the hours actually used.

Dear Sir:

VDT & EERC

This will record certain understandings reached during negotiations for a renewal of the Support Staff Collective Agreement, with respect to the new Article 13.4.

Where the Union College/Campus Committee is unable to reach agreement concerning additional employees to be affected by Articles 13.4.2 and 13.4.3, it is understood that either the College or the Local Union can refer the matter to the Employee/Employer Relations Committee for further discussion.

It is also understood that the Colleges will provide the Local Unions, on request, reasonable information respecting the locations of VDT equipment in use by employees in the bargaining unit in the Colleges, and the classifications of employees engaged in its use. Such requests shall be made within sixty (60) days after ratification of the Agreement and the Colleges will respond without undue delay.

LONG TERM DISABILITY PLAN

This is to confirm the understanding reached at negotiations that the Council agrees to amend the Long Term Disability Plan such that the definition of "total disability" for the first two year period during which benefits may be payable shall mean the inability of the disabled employee to perform the duties of his/her position. After the first two years that benefits may be payable, "total disability" shall mean the inability to perform the duties of any position for which the employee is suited by training or experience.

Dear Sir:

LAYOFF/RECALL PROCESS - BUMPING

For clarity, the parties agree that the following illustrative examples demonstrates the general sequence of assignment which occurs pursuant to Article 15.4.3, after March 1, 2007.

Illustrative Example 1:

Assuming that an employee in payband C is to be laid off and no vacant position exists in payband C, the employee is first considered to replace the most junior employee in his/her payband. If the employee cannot satisfactorily perform the core duties and responsibilities of the job, then he/she is considered to replace the next most junior person in his/her payband, and so on. Once all positions in the employee's payband that are held by more junior employees are considered, and it is determined that the employee cannot satisfactorily perform the core duties and responsibilities of the job, vacancies in payband B are considered. Assuming no suitable vacancies in payband B exist, the position held by the most junior employee in payband B is considered. If the employee cannot satisfactorily perform the core duties and responsibilities of the job, the position held by the next most junior employee in payband B is considered, and so on until all positions held by more junior employees in payband B are considered. If none are suitable, vacant positions in payband A are considered, etc. The employee will be assigned to the first position identified pursuant to this sequence for which he/she can satisfactorily perform the core duties and responsibilities of the job.

Illustrative Example 2:

Employee #1 is in a position evaluated at payband D and is grand-parented at payband E (wage) and payband F (Article 15). For bumping purposes, Employee #1's rights start at payband F. Following the sequence above, if a vacant position

in payband F does not exist, then consideration is given to a position in payband F held by a more junior employee. If Employee #1 can satisfactorily perform the core duties and responsibilities of the position in payband F held by the junior employee (Employee #2), then Employee #1 is assigned to both that position and the appropriate wage rate in payband F. Employee #1 is no longer grand-parented for any purpose. Employee #2 is grand-parented at payband G (wage and Article 15). Therefore, for bumping purposes, Employee #2's rights start at payband G and the steps outlined above are followed. If Employee #1 cannot satisfactorily perform the core duties and responsibilities of any position in payband F, then vacancies in payband E are considered. Assuming no suitable vacancies in payband E exist, the position in payband E held by the most junior employee is considered. If Employee #1 cannot satisfactorily perform the core duties and responsibilities of the job, the position in payband E held by the next most junior employee is considered, and so on until all positions in payband E held by more junior employees are considered. If none are suitable, vacant positions in payband D are considered, etc. Employee #1 will be assigned to the first position identified pursuant to this sequence for which he/she can satisfactorily perform the core duties and responsibilities of the job and the corresponding wage rate for that position. Employee #1 is no longer grand-parented for any purpose.

Dear **Sir**:

CONTRACTING OUT

It is agreed that no bargaining unit member who has completed the probationary period will be released from the College's employ as a direct result of the College contracting out his/her work.

However, contracting out to an employer who will employ the employee with comparable terms and conditions of employment is not a breach of this letter of understanding.

An employee given notice of layoff or reassignment as a result of his/her work being contracted out may elect to take an unpaid leave of absence of up to one (1) year, in order to accept a job offered by the contractor. The leave will begin on the date that the employee commences employment with the contractor. If the employee wishes to return to the College, he/she must provide at least one hundred and twenty (120) calendar days written notice of his/her intention to return at the end of the leave.

The College will then apply Article 15.4.3, as appropriate. If no position can be identified pursuant to Article 15.4.3, no new notice of layoff under 15.4.4.1 need be provided to the employee.

The College will not provide wages or benefits to the employee during the leave.

This letter of understanding will expire on August 31, 2011, but should the parties not have reached a new Collective Agreement by that date, the letter shall continue to operate until the earlier of a Memorandum of Settlement being entered into or there is a right to strike or lock-out.

Dear Sir:

JOB POSTINGS - OTHER COLLEGES

This is to confirm the understanding reached at bargaining that in the event of a vacant position in the bargaining unit which a College advertises outside the College in a newspaper or other trade journal, the College will fax such positions to the Human Resources Director of all Colleges and OPSEU. The Human Resource Directors shall provide a copy to their Local Union President. At the time an employee is laid off and provided the individual chooses to retain recall rights, the College will assist the individual to prepare a portfolio in order to facilitate placement in appropriate vacancies. Such portfolios may include such things as a performance appraisal, resume, skills assessment, current PDF and circumstances which triggered the layoff. The College will send the portfolio to any College requested by the individual. The College agrees to consider portfolios in its possession for appropriate vacancies at its College which are advertised outside the College in a newspaper or other trade journal, for the duration of their recall rights.

Should the College with a vacancy hire an employee through the above process, then the employee shall retain all past service for purposes of benefit entitlement and vacation. It is understood such retention of service shall not be credited towards the probationary period or seniority. The College may start the employee at a step higher than the start rate on the appropriate payband.

Dear Madam:

JOINT TRANSITIONAL COMMITTEE

The parties agree to establish a Joint Transitional Committee to explore the potential impact of a directive from the Ministry of Training, Colleges and Universities, which would displace five (5) or more Support Staff employees due to:

- a) the creation of a new College;
- b) a College merger;
- c) a program relocation from one College to another;
- d) other restructuring initiatives affecting multiple Colleges.

The parties recognize the principles and process established in Article 14.7 and further recognize that the specifics of some matters will only become apparent when the particular programs and services to be offered at the College have been identified.

The affected College(s) will strive to achieve the transfer of program(s) so that the transfer does not cause the layoff of employees as a direct result of the transfer.

The structure of the Joint Transitional Committee will be three (3) representatives chosen by OPSEU and three (3) representatives chosen by the Council. Each party will ensure at least one (1) representative is from an affected College(s). Their mandate will be to:

- a) review the principles and guidelines as specified within the Letter of Understanding - Transfer of Programs and Services from St. Lawrence and Algonquin Colleges to La Cité collégiale (as set out in the 1997 - 2000 Collective Agreement);
- b) recommend the sequence for job postings and selection of affected employees;
- c) recommend in a timely fashion the appropriate processes or mechanisms to address the Ministry's directive.

The Joint Transitional Committee will be replaced by a Task Group comprising of:

- one (1) person appointed by each affected College
- one (1) person appointed by the OPSEU Local at each affected College
- one (1) person appointed by the re-mandated College (where applicable)
- one (1) person appointed by OPSEU for the Local Union at the re-mandated College (where applicable)
- one (1) person appointed by the Council
- one (1) person appointed on a provincial basis by OPSEU

Based on the recommendations from the Joint Transitional Committee and keeping in mind the requirements of the Agreement, the function of the Task Group will be to make recommendations:

- a) to facilitate the movement of the bargaining unit members;
- b) regarding strategies to achieve this objective;
- c) to assist bargaining unit members who choose to transfer in adjusting;
- d) to assist bargaining unit members who have not transferred with retraining or other strategies to deal with dislocations.

ARTICLE 15.5.1 - SEVERANCE PAY

For ease of reference in applying Article 15.5.1, the parties have agreed to summarize the current severance pay obligations under the Employment Standards Act, as of September 1, 1997, for employees with more than five (5) years of employment, recognizing that reference should always be made to the Act, and the Act is subject to amendments from time to time.

Employees with more than five (5) years of employment are entitled to receive severance pay equal to the employee's regular wages for a regular non-overtime work week times (x) the number of years of employment to a maximum of twenty-six (26) weeks. A partial year of employment is prorated by month.

Employees with more than five (5) years of employment who are laid off may elect to receive their severance entitlement pursuant to the Act. If such an election is made the employee is deemed to have waived his/her recall rights under the Collective Agreement.

If the employee chooses to retain recall rights, the employee's severance entitlement is paid out when the employee's recall rights have expired or at any time the employee chooses to waive recall rights.

If an employee who has chosen to retain recall rights is subsequently recalled, the severance payment is retained by the College.

RETURN-TO-WORK

Every College shall have a Return-to-Work (RTW) policy within six (6) months from December 18, 2003 to support injured and ill employees in returning to work. Each policy shall contain the following:

- a statement of commitment that describes how the program will operate, which may include a permanent or ad hoc Return-to-Work Committee, consisting of representatives from the College and the Local Union
- strategies that support the statement of commitment and form a framework within which individual return-to-work cases are managed
- a description of roles and responsibilities for the various stakeholders involved in the RTW process
- a RTW process that outlines the steps to be followed in managing individual return-to-work cases, including a mediation component, if appropriate
- a communications and training component
- a process for regular reviews of the program

It is agreed that where a meeting as contemplated in this letter takes place by mutual consent, during regular working hours, representatives of the Local Union shall not suffer any loss of pay during regular working hours when required to leave their duties temporarily for the purpose of attending such a meeting. LEAD HAND DEFINITION

Effective March 1, 2007, the Lead Hand Definition is as follows:

Ongoing Lead Duties

With the introduction of the evaluation system on March 1, 2007, employees who have been assigned "lead" or "coordinator" duties will have such duties reflected in their PDF and evaluated as such.

Temporary Lead Hand

Where the College determines that it is required, a Lead Hand may be temporarily designated within a work group giving due consideration to the ability, qualifications required for the position and seniority, in making the appointment. As contemplated by the use of the word "temporary", such an assignment shall only be short-term and for a very specific period of time.

The temporary Lead Hand does not function as a supervisor. Typical duties can include:

1. passing supervisor's instructions to members of the work group, explaining new projects and assignments;
2. allocating work assignments according to established methods and procedures, and establishing priorities as required.

Dear Madam:

IMPLEMENTATION OF THE NEW JOB EVALUATION SYSTEM

Time lines

The new job evaluation system will be in effect on March 1, 2007. During this time the following will occur:

- Human Resources staff and the Local Union will be trained by the Classification Review Committee (CRC) on the new system including directions on how to write a position description form (PDF)
- using the "train the trainer" model, Human Resources will train supervisors and employees on how to write a PDF
- all PDFs must be rewritten and evaluated using the new system
- CRC will issue the new payband structure and the Collective Agreement, which will be modified, where appropriate, to reflect the changes for the system

Implementation Guidelines

a) Determination of Payband

Using the new job evaluation system, the College will evaluate a position and determine the appropriate payband under the new structure. Using the incumbent's current hourly rate, the level assigned to the position will be the first level encountered that contains an hourly rate that is equal to or greater than the individual's current hourly rate.

Any position that is evaluated at a payband that does not contain an hourly rate equivalent to or higher than the incumbent's current hourly rate will retain the

evaluated payband but the employee will be assigned the "grand-parented" or higher payband (definition follows).

b) Definition of "Grand-parenting"

The definition of "grand-parenting" for the purpose of determining an employee's payband and/or hourly wage for the implementation of the new system is:

- the position will retain the payband that was assigned through the evaluation process
- the incumbent's hourly wage rate will be grand-parented to the first payband that contains a hourly wage rate equivalent to or higher than the incumbent's current hourly wage rate
- for salary administration, pension and group insurance purposes, the incumbent will be treated at the grand-parented higher hourly wage rate. For example, for LTD purposes the grand-parented wage will be insured and if the employee does go off on LTD his/her monthly benefit will be based on the grand-parented payband.
- for the purpose of Article 15, the incumbent's rights will be treated at his/her grand-parented payband and not the payband of the position. For example, bumping rights will begin at the payband of the employee and not the payband of the position. In some cases, the payband that an employee is grand-parented at for salary administration purposes and Article 15 may be different. This will only happen in some unique circumstances when an employee is progressing through the wage grid. To determine an employee's "grand-parented" payband, use the maximum wage rate (4 year rate) of the employee's current payband to find the first payband that contains a hourly wage rate equivalent to or higher than the maximum wage rate of the incumbent's current payband.
- should an employee who is at a grand-parented payband, be reassigned through Articles 15 or 17.2, to another position (either to a higher or lower payband) then the employee will no longer be grand-parented and will be paid the wage rate appropriate for the position assigned. For example, if the employee is successful for a job competition to a position that has a

wage rate either higher or lower, the employee will receive the wage rate for the position and will no longer be grand-parented. Note - this would not apply to temporary assignments contemplated under Article 17.3.

- when the position becomes vacant - both it and the employee who is newly assigned to it will be paid at the appropriate payband rate the position has been evaluated at

c) Determination of Payband for Existing Red Circle, Swan or Grand-parented Employees

Outlined below are the steps to be followed when determining the payband and wage rates for individuals who are currently red-circled, swan rated (individuals in special computer classifications due to a 1987 arbitration decision) or grand-parented.

1. The "red-circle amount" is the difference between the hourly wage in Appendix E of the current Collective Agreement for the employee's payband and the hourly rate the College is paying the incumbent in the position.
2. Determine the appropriate level and hourly rate following the instructions outlined in a) above.
3. If the new rate is lower than the sum of the "red-circle amount" and the previous payband hourly wage, then that current hourly rate does not change (i.e. no increase to the employee's hourly wage) but the red-circle amount is reduced by the difference between the new hourly rate and the previous hourly rate. (see Example 1 below)
4. If the new rate is higher than the sum of the "red-circle amount" and the previous payband hourly wage, then that becomes the wage and the individual is no longer red-circled. (see Example 2 below)

Existing System:

Incumbent's currently hourly rate is	\$18.19
The payband hourly rate is	\$15.69
Therefore, the "red-circle amount" is	\$ 2.50

New System (after position evaluated):

Example 1

Payband hourly rate for the NEW system is	\$15.75
Incumbent's hourly rate remains at	\$18.19
"Red-circle amount" is	\$2.44 (only the red-circle amount is reduced)

Example 2

Payband hourly rate for the NEW system is	\$18.20
Incumbent's hourly rate increases to	\$18.20
"Red-circle amount" is	\$0 (no longer red-circled)

5. The "red-circling" provisions in the Collective Agreement will continue to apply to these individuals. There is no pyramiding of the "red-circling" and "grand-parenting" provisions.

d) Progression

If the level of the hourly wage rate assigned above (using (a) or (c)) is less than six (6) or the "4 year" rate, then the incumbent will be able to progress through the levels in accordance with Article 7.3.

Determination of the "progression" or "anniversary" date:

- if prior to the implementation date, the incumbent is progressing through the wage grid then the "progression" or "anniversary" date will remain unchanged; however,
- if the incumbent is at the maximum hourly wage rate, then the "progression" or "anniversary" date will be the effective date of the new system.

e) Moratorium of Classification Grievances

Effective September 22, 2005, the CRC will issue a moratorium on both reclassification requests and classification grievances being filed. This will remain in effect until March 1, 2007.

Any reclassification requests or classification grievances in process before this date can continue and classification arbitrations will be scheduled as needed.

f) Article 6.1.2.2 Forty (40) Hours per Week

With the introduction of the new job evaluation system, job families will no longer be associated with Support Staff positions. If, prior to the implementation of the new system, an employee (hired before September 1, 1997) was assigned forty (40) hours per week, that employee will not have his/her hours reduced unless the employee agrees or he/she is the successful applicant for a position with fewer hours. The intent is not to disadvantage employees who were previously covered by this Article prior to the introduction of the new job evaluation system.

INITIATIVES/OPPORTUNITIES

The terms of this Letter of Understanding apply to "Initiatives/Opportunities" bargaining unit positions. An "Initiative/Opportunities" position is a position within the Support Staff bargaining unit, in which the established termination date is known at the time the position is created and forms part of the employment contract with the individual who is selected for the position. An "Initiatives/Opportunities" position will not be used to replace existing full-time Support Staff bargaining unit positions. All provisions of the Collective Agreement, except for Article 15, shall apply.

The College shall inform the Local Union of its intent to create an "Initiative/Opportunities" position, its rationale and the termination date. The College will hear any representations by the Local Union prior to implementing such a position, provided such representations are made promptly.

The "Initiative/Opportunities" position may not exceed twenty-four (24) consecutive months unless extended with written agreement of the Local Union.

All "Initiative/Opportunities" positions shall be posted pursuant to Article 17.1 and 17.1.1.

Should an existing full-time bargaining unit member be selected to fill such a position, the resultant vacancy shall be filled in accordance with provisions contained within Appendix D. An existing full-time bargaining unit member who is selected or assigned to fill such a position shall be paid in accordance with the appropriate wage rate for the position and shall continue to receive all the terms of the Collective Agreement to which he/she is entitled. The employee will have

the right to return to his/her regular position or its equivalent at the conclusion of the "Initiative/Opportunities" position.

This Letter of Understanding will expire on August 31, 2011, but should the parties not have reached a new Collective Agreement by that date, the letter shall continue to operate until the earlier of a Memorandum of Settlement being entered into or there is a right to strike or lock-out.

- (v) review of the financial reports on the Group Insurance Plan; and
- (vi) review of contentious claims and recommendations thereon, when such claim problems have not been resolved through the existing administrative procedures.
- (vii) recommend to the Council when an ad hoc adjustment should be implemented to increase the monthly benefit level of existing LTD claimants. It is understood that:
 - (a) the cost of the adjustment must be financed from funds held in the LTD Deposit Accounts which are in excess of 25% of annualized premium and the cost must be shared in accordance with the premium sharing arrangement in effect on the date of the ad hoc adjustment; and
 - (b) in determining the viability of such an adjustment, the Committee must exercise prudent financial planning to ensure the cost of the ad hoc adjustment combined with reasonably

predictable costs of future experience trends will not jeopardize the financial stability of the Plan or result in additional premiums to be payable in the current or immediately following Plan Year.

5. Specifications for Public Tender

When specifications for public tender are required to obtain the services of an insurance carrier, the duties of the Committee shall be to:

- (a) develop and recommend specifications for tender;
- (b) consider and examine all tenders submitted in response to the specifications;
- (c) make a recommendation to the Council with respect to the selection of a carrier.

The specifications for tender will describe the benefits to be provided, the cost sharing arrangements, the past financial and experience history, the appropriate employee data, the format for the retention illustrations for each coverage, the financial reporting requirements, and other parameters as appropriate.

The tendering process will be conducted through the Ontario Government's Public Tenders Office. Tenders shall be entertained from any insurance carrier and such carrier may act solely on its own behalf or may arrange reinsurance as may be necessary.

The basis for recommendation of an insurance carrier will include the ability of the carrier to underwrite the Plan, compliance of carrier's quotation with the specifications for tender, the carrier's service capabilities and the expected long term net cost of the benefits to be provided.

6. Policy Renewals

Following receipt of an existing insurance carrier's proposal for renewal of an insurance contract, the Committee shall:

- (a) examine and analyze the proposal, assessing the completeness, fairness and validity of the proposal;
- (b) assess the funding methods employed in the insurance policy;
- (c) assess and monitor the deposit accounts;
- (d) suggest and discuss alternative proposals and funding methods with the carrier; and
- (e) make recommendations to the Council with respect to acceptance of the carrier's renewal proposals, funding methods and deposit account administration.

The basis for recommendations for renewal will take into account the level of service provided by the carrier and the expected long term net cost of benefits.

7. Experience Review

The Committee will also meet as required to review the financial experience under the Plans. The specifications for tender will describe the information to be included in the financial statements to be prepared by the insurance carrier(s). These statements will include paid premiums, paid claims, changes in reserve requirements for open and for unreported claims, incurred claims, the retention elements of commissions, taxes, administrative expenses, contingency reserve charges and interest credits on claims and other reserves. The Committee shall request the insurance carrier(s) to provide such additional information as may be necessary.

8. Recommendations

If the Committee fails to agree on any recommendation to the Council that is contemplated by these Terms of Reference, the members of the said Committee nominated by the Council and OPSEU may each make a recommendation in writing to the Council, supported by reasons for their respective recommendations.

It is understood that the Council at all times retains the right to select whatever carrier(s) (to underwrite the Group Insurance Plans) it may consider in the best interest of the employees and Colleges and, in so doing, is under no obligation to select a carrier(s) that may be recommended by the Committee.

APPENDIX B INCLUSION PROCEDURES

The parties recognize that the question of whether or not a particular person is or is not a member of the bargaining unit has not traditionally been dealt with at the bargaining table, and has normally been resolved by direct discussion between the Council/College and the Union or by the Ontario Labour Relations Board based on the existing duties and responsibilities of the person in question.

The following conditions are applicable to persons who are employed by a College of Applied Arts and Technology (hereinafter called "the College") in positions designated as Administrative Staff or otherwise excluded from the Support Staff Bargaining Unit and who are found to be bargaining unit employees as a result of specific decisions of the Ontario Labour Relations Board or by agreement of the Council/College and the Union:

1. Terminology

- (i) All references herein to Articles, Sections and Appendices shall refer to Articles, Sections and Appendices of the Collective Agreement for Colleges of Applied Arts and Technology Support Staff Employees.
- (ii) "Employee" or "Employees" shall refer to persons who are employed by a College in positions designated as Administrative Staff or otherwise excluded from the Support Staff Bargaining Unit and who are found to be Bargaining Unit employees as a result of specific decisions of the Ontario Labour Relations Board or by agreement of the Council/College and the Union.

2. Application

This Appendix shall apply to any persons included in the Support Staff Bargaining Unit by decisions of the Ontario Labour Relations Board or agreement between the Council/College and the Union, from January 1, 1980, and thereafter.

3. Determination of Payband

Using the Support Staff job evaluation system, the College shall determine the appropriate payband for the duties and responsibilities assigned to the position.

It is understood that the employee may challenge the propriety of such assignment under Article 18.4 and is limited to a claim that the assignment should have been to another payband.

4. Determination and Treatment of Wages

- (a) If the employee's hourly rate calculated in accordance with Article 6.1 at the date of inclusion is less than or within the range as set out in Appendix E for the appropriate payband, placement will be at the step which is appropriate in accordance with the length of service in the position with the College; it will not be less than the hourly rate applicable at the date of inclusion.
- (b) If the employee's hourly rate calculated in accordance with Article 6.1 at date of inclusion is above the range as set out in Appendix E for the appropriate payband, placement will be at maximum with no reduction in hourly rate, but that rate calculated is red circled and is subject to reduction according to future red circle agreements.
- (c) It is understood that reference to "date of inclusion" in this Appendix means the date of the Ontario Labour Relations Board decision unless extended by agreement of the parties or date of any agreement by the Council/College and the Union.

5. Seniority

Employees will be accorded full seniority based on length of service with a College calculated in accordance with Articles 14.1 and 14.2.

6. Vacation

- (a) Employees will retain vacation entitlement earned as Administrative Staff or an otherwise excluded employee for the vacation year in which the

date of inclusion occurs and one (1) additional vacation year and vacation pay shall be in accordance with Articles 11.2, 11.3 and 11.4.

- (b) Effective June 30th of the vacation year thereafter and of each subsequent vacation year, there will be a reduction in vacation entitlement of one (1) day until such vacation entitlement coincides with entitlement under the effective Collective Agreement for CAAT Support Staff and vacation pay shall be in accordance with Articles 11.2, 11.3 and 11.4.
- (c) For the purpose of calculating an employee's vacation entitlement under Article 11, it is agreed that the employee will receive credit for one hundred per cent (100%) of his/her continuous service in the College.

7. Basic Life Insurance, Extended Health Insurance, Dental Insurance, Supplemental Life Insurance, Dependent Life Insurance, Short Term Disability Plan, Long Term Disability Insurance, Vision and Hearing Care Plans.

These Support Staff Plans are effective the first day of the third calendar month following date of inclusion.

8. All other terms and conditions of employment

Except as specifically referred to herein, employees shall not be entitled to any terms or conditions contained in the Collective Agreement for CAAT Support Staff employees prior to the date of inclusion.

9. Union Dues

Union dues deductions will commence from the date of inclusion.

APPENDIX C AVERAGING OF HOURS

1. The number of hours of work per week prescribed shall be computed as a weekly average over six (6) months where the duties of an employee require that he/she work more than the number of hours per week normally prescribed at regularly recurring times of the year, or that the number of hours per week be normally irregular.
2. The averaging period for the employee will conform to the six (6) month period which reflects the work cycle of that employee, and will be reported to the Union.
3. Periods of employment of less than six (6) months in an averaging period, e.g., due to appointment, transfer, separation, etc., will be pro-rated.
4. For the six (6) month averaging period, the hours of work required are nine hundred and ten (910) hours, which corresponds to a thirty-five (35) hour week, nine hundred and forty-two and one-half (942½) hours which corresponds to a thirty-six and one-quarter (36¼) hour week, nine hundred and seventy-five (975) hours corresponding to a thirty-seven and one-half (37½) hour week or one thousand and forty (1,040) which corresponds to a forty (40) hours week.
5. A record will be maintained for each employee affected showing a running total of hours worked. When an employee's accumulation of hours worked at the end of each three (3) month period is viewed by the College as excessive, he/she may be required to take time off, on an hour-for-hour basis, in order to bring his/her hours accumulation into line with the hours requirement for the averaging period. In such a case, he/she will be given reasonable notice where circumstances permit, of any such time off.

At the end of the averaging period, any excess hours standing to the employee's credit over and above the stipulated hours requirement will be considered as overtime and multiplied by one and one-half (1½) to show the employee's "overtime credit" for pay or compensating leave purposes.

6. The employee shall be paid for his/her overtime credits. Such payments shall be made at the hourly rate he/she was receiving on the last day of the averaging period.
7. Notwithstanding Paragraph 6, compensatory time off may, however, be substituted for payment of overtime credits where there is insufficient work for an employee to the extent that his/her presence is not required for a period of time. In such a case, the College has the authority to direct that the employee take time off rather than receive pay for his/her overtime credits, and such time off shall be taken during the first six (6) months of the next averaging period at a time mutually agreeable between the employee and the College.
8. Any hours worked on a holiday or other day that is not a regular working day for the employee will be treated as overtime and converted to "overtime credits" by multiplying by one and one-half (1½) and recorded for each employee. The employee shall be paid for all such overtime credits at least quarterly and at the rate he/she was receiving when the overtime was worked.

APPENDIX D TEMPORARY EMPLOYEES

1. The terms of this Appendix apply to persons employed on a casual or temporary basis to replace bargaining unit employees absent due to vacation, sick leave or leaves of absence.
2. The rate to be paid to such an employee shall be the appropriate wage rate applicable to the position of the replaced employee, subject to progression steps applicable to the replacing employee, where appropriate.
3. The replacing employee shall be subject to the deduction and remittance of Union dues, as provided in Article 5.4 of the Agreement.
4. The Union shall be notified at the commencement of employment, and upon the expiry of the term of employment.
5. In addition to the hourly rate of pay, the employee shall receive an additional eight per cent (8%) in lieu of all fringe benefits, including vacation.
6. The employee shall be entitled to the provisions of Articles 6.2, 7.5 and 10 of the Agreement.
7. The employee may be released by the College before the termination date of any term of employment, for replacement need changes or operational requirements.
8. Employees covered by this Appendix are entitled to utilize the grievance procedure to enforce the rights contained in this Appendix.
9. If an employee is appointed to a regular bargaining unit position after September 23, 1997, he/she shall be credited with full seniority, after completion of the probationary period, based on full credit for Appendix D service calculated at a day's seniority for each day worked (261 days of work equals one (1) year). When an Appendix D employee is appointed to a regular bargaining unit position and has previous service as a part-time Support Staff employee, seniority shall also be credited in accordance with Article 14.3.

10. For the purposes of job competitions, in addition to any other factor that the College considers relevant, consideration will be given to service with the College.
11. No other provision of the Collective Agreement shall apply to Appendix D employees unless otherwise stated in this Appendix.
